Attention: Ms. Erica M. Hamilton, Commission Secretary

Dear Ms. Hamilton:

Re: FortisBC Inc. (FBC)

Multi-Year Performance Based Ratemaking Plan for 2014 through 2019 approved by British Columbia Utilities Commission (the Commission) Order G-139-14 – Annual Review for 2016 Rates (the Application)

Workshop Agenda

On September 11, 2015, FBC filed the Application referenced above. FBC will be filing an Evidentiary Update on October 21, 2015. In accordance with Commission Order G-139-15 setting out the Regulatory Timetable for the review of the Application, a Workshop is scheduled for Monday, October 26, 2015, commencing at 1:30 pm and is expected to end by 4:30 pm.

Below is the Agenda for the Workshop.

Agenda
Introduction & Overview
Revenue Requirements & Rates (including Evidentiary Update)
Depreciation Study
Z-Factor Wildfire
Z-Factor Mandatory Reliability Standards
Service Quality Indicators (SQIs)
Open Question Period
Summary and Closing

For each topic on the agenda above, FBC will provide a short presentation and will then respond to questions related to that topic. The open question period at the end of the Workshop is set aside for any remaining questions that participants may have with respect to the Application.

Due to the technical nature of Load Forecasting and in order to ensure the Workshop is as efficient and productive as possible for parties, FBC will have representatives available at the Workshop to discuss the Load Forecasting topic at a high level only. Detailed Load Forecasting questions often require research and referencing of other materials and source documents; therefore, FBC will be prepared to handle any such questions as undertakings.

If further information is required, please contact the undersigned.

Sincerely,

FORTISBC ENERGY INC.
