Dear Mr. Wruck:

**Re: FortisBC Inc. (FBC)  
Project No. 1598911  
Application for Community Solar Pilot Project (the Application)  
Request for Extension to the Regulatory Timetable**

---

On April 26, 2017, FBC filed the Application referenced above. On July 17, 2017, the British Columbia Utilities Commission (the Commission) issued Order G-108-17 setting out the remainder of the Regulatory Timetable for the review of the Application. Due to availability of key FBC staff, FBC respectfully requests a one-week extension to the date for the responses to information requests No. 2, and all subsequent dates. Specifically, FBC proposes the following amended Regulatory Timetable:

Action	Date (2017)
Participant Assistance/Cost Award (PACA) Budget	Monday, July 24
Commission and Intervener Information Requests (IR) No. 2	Tuesday, August 1
FBC Response to IRs No. 2	Wednesday, August 23
Letter of Comment Deadline	Wednesday, August 30
FBC Written Final Argument	Thursday, September 14
Intervener Written Final Argument	Thursday, September 28
FBC Reply Argument	Thursday, October 5

If further information is required, please contact Corey Sinclair at 250-469-8038.

Sincerely,
