

BURYK (SLACK) GOODMAN

June 17/09

to BCUC
Attor. Commission Secretary

Dear Mr. Hamilton

Re Fortis BC - New Metering
Tariff Application

Fortis is, in my opinion, heading in
the right direction - despite all the
ramifications. Care must be taken
so that the outcome = the "on paper".

They are in line with Provincial
dictates and I am sure they &
you, the Commission will work
out the details.

Sincerely,
Paul Goodman
