Application for Approval of SCP IPC Transactions  
Response to Intervener Comments**

---

On August 19, 2005, as per the regulatory agenda set out in Order No. G-55-05 from the British Columbia Utilities Commission ("Commission"), Terasen Gas received comments from four Intervenors: British Columbia Old Age Pensioners Organization ("BCOAPO"), Inland Industrials, Lower Mainland Gas Users Association ("LMLGUA"), and Westcoast Energy Inc. ("Westcoast").

As per Order G-55-05, Terasen Gas is required to provide a response to Intervenor comments by Tuesday August 30, 2005. Due to internal resource constraints, Terasen Gas respectfully requests an extension to respond to Intervenor comments to Friday September 2, 2005.

Yours very truly,
