Dear Ms. Hamilton:

2007 Annual Review of 2008 Revenue Requirements**

**Response to the British Columbia Utilities Commission ("BCUC" or the  
"Commission") Information Request ("IR") No. 1 Question 15.1**

---

On October 5, 2007, Terasen Gas filed its Advance Materials for the 2007 Annual Review of 2008 Revenue Requirements in accordance with Commission Order No. G-112-07 setting out the Regulatory Timetable for the Application. Terasen Gas received Information Requests from the Commission and from the British Columbia Public Interest Advocacy Centre on behalf of the British Columbia Old Age Pensioners Organization *et al* ("BCOAPO") on October 19, 2007.

Terasen Gas responded to the information requests on Friday, November 2, 2007, in accordance with the Regulatory Timetable with the exception of BCUC IR No. 1 Question 15.1 due to difficulties it was experiencing with the billing data required to complete the request.

Terasen Gas has now received the required data files, apologizes for the delay, and respectfully submits the attached response to BCUC IR No. 1 Question 15.1.

If there are any questions regarding the attached, please contact Mr. Tom Loski, Director, Regulatory Affairs at (604) 592-7464.

Yours very truly,

**TERASEN GAS INC.**
