Attention: Mr. Jim Quail

Dear Mr. Quail

**Re: FortisBC Energy Inc. (FEI) and FortisBC Inc. (FBC) (collectively the Companies)
Applications for Approval of a Multi-Year Performance Based Ratemaking Plan
for 2014 through 2018 (the Applications)
Response to the Canadian Office and Professional Employees Union Local 378
(COPE) Information Request (IR) No. 3 on PBR Methodology
Clarification of COPE Question 14 to FEI**

On June 10 and July 5, 2013, FEI and FBC, respectively, filed the Applications as referenced above.

On December 6, 2013, FEI and FBC filed their responses to COPE's IRs on the PBR Methodology as the response to FEI-FBC COPE PBR IR No. 3 (Exhibit B2-13). In doing so, the Companies identified the IRs with a preceding "E" for electric for FBC and "G" for gas for FEI.

On December 10, 2013, COPE contacted the Companies with respect to the response to FEI-FBC COPE PBR IR 3.E14. COPE acknowledged that while it directed Question 14 to FEI, it contained a reference to an FBC IR response which created confusion as to which utility COPE's question was intended for.

The Companies agreed to submit this further response to COPE's question 14 which has had some clarification wording added. The Companies respectfully submit this further response as FEI-FBC COPE IR No. 3.G14 related to the PBR Methodology.

If further information is required, please contact the undersigned.

Sincerely,

**FORTISBC ENERGY INC. and
FORTISBC INC.**
