Attention: Ms. Erica M. Hamilton, Commission Secretary

Dear Ms. Hamilton:

**Re: FortisBC Energy Inc. (FEI)**  
**Application for Approval of Biomethane Energy Recovery Charge (BERC) Rate Methodology (the Application)**  
**Response Information Request (IR) No. 1 – Request for Extension**

---

On August 28, 2015, FEI filed the Application referenced above. The Regulatory Timetable established by Order G-147-15 set Wednesday, November 4, 2015 as the filing deadline for IR No. 1 responses.

As a result of resource constraints, FEI requires additional time to complete its responses to IR No. 1. FEI respectfully requests the Commission grant an extension to the filing deadline for responses to round one IRs by two days, to Friday, November 6, 2015.

FEI believes that a delay of two days will not impact the remainder of the Regulatory Timetable, and that the Commission and Interveners will have sufficient time to prepare for the Procedural Conference, scheduled for Monday, November 16, 2015.

If further information is required, please contact the undersigned.

Sincerely,

**FORTISBC ENERGY INC.**
