Attention: Ms. Laurel Ross, Acting Commission Secretary and Director

Dear Ms. Ross:

Re: Project No. 3698864
FortisBC Energy Inc. (FEI) 2015 Price Risk Management Application (the Application)
Responses to Information Requests (IR) No. 1 – Request for Extension

On December 23, 2015, FEI filed the Application referenced above. The Regulatory Timetable established in British Columbia Utilities Commission Order G-10-16 set Thursday, March 3, 2016, as the filing deadline for IR No. 1 responses.

As a result of resource constraints from multiple deadlines in other ongoing regulatory processes and the considerable overlap of individuals involved in these processes, FEI respectfully requests an extension to file the responses to IR No. 1 from March 3, 2016, to as soon as practicable, but no later than March 8, 2016.

FEI believes that granting a five-day extension in this Application will not negatively affect the review of the Application and will not prejudice any parties. FEI thus proposes that the Regulatory Timetable be amended as follows:

ACTION	DATE (2016)
FEI Responses to IR No. 1	Tuesday, March 8
Intervener Submissions on Further Process	Monday, March 14
FEI Reply Submission on Further Process	Wednesday, March 16

If further information is required, please contact Mike Hopkins, Senior Manager, Price Risk & Resource Planning at (604) 592-7842.

Sincerely,

FORTISBC ENERGY INC.
