Attention: Mr. Patrick Wruck, Commission Secretary and Manager, Regulatory Support

Dear Mr. Wruck:

Re: FortisBC Energy Inc. (FEI)

Project No. 1598970

2019 and 2020 Revenue Requirements and Rates Application for the Fort Nelson Service Area (the Application)

FEI Reply Submission on Process

In accordance with British Columbia Utilities Commission (BCUC) Order G-171-18, FEI makes the following reply submission on further process.

The Commercial Energy Consumers Association of British Columbia (CEC) stated in its letter dated November 26, 2018 (Exhibit C1-3) that it "is in agreement with the proposed regulatory timetable". FEI contacted counsel for the CEC and confirmed that the CEC is in agreement with the regulatory process proposed by FEI in its submission on further process (Exhibit B-4). FEI proposes that the evidentiary record be closed and the process proceed to the written argument phase, based on two week intervals between each stage.

If further information is required, please contact the undersigned.

Sincerely,

FORTISBC ENERGY INC.
