Attention: Mr. Patrick Wruck, Commission Secretary and Manager, Regulatory Support

Dear Mr. Wruck:

**Re: FortisBC Energy Inc. (FEI)**

**Application for Use of Lands under Sections 32 and 33 of the *Utilities Commission Act* (UCA) in the City of Coquitlam for the Lower Mainland Intermediate Pressure (IP) System Upgrade (LMIPSU) Projects – Coquitlam Gate IP Project (Project) (the Application)**

**FEI Comments on Extension to Filing Date for Evidence**

---

On October 4, 2018, the British Columbia Utilities Commission (BCUC) issued Order G-190-18, establishing the regulatory timetable for Phase Two of the above noted proceeding. Directive 2 of Order G-190-18 directed FEI and the City to notify the BCUC if any additional time is required to undertake and file evidence.

FEI has issued a Request for Proposal to consultants to undertake an assessment of the existing Como Lake Road condition to be completed late October. FEI had previously indicated to the BCUC that the City of Coquitlam had expressed an interest in a joint assessment, however, on October 3 2018, the City of Coquitlam advised that it would not be participating in the assessment. At this time, FEI does not anticipate that it will require additional time to file evidence.

If further information is required, please contact Ilva Bevacqua at 604-592-7664.

Sincerely,

**FORTISBC ENERGY INC.**
