

# Student Guide to FortisBC videos

Name: \_\_\_\_\_ Class: \_\_\_\_\_ Date: \_\_\_\_\_

View the five FortisBC 60-second videos and *A Few Minutes for Safety*. Then, follow your teacher's directions for answering these questions.

## Video #1: Call Before You Dig

1. Suggest several situations in which someone might want to dig a hole in a yard.

---

2. When should you contact BC One Call about your digging? (Hint: see the video title.)

---

## Video #2: Get Rid of that Stink

3. Why did the son suspect that there could be danger to the family?

---

4. What safety precautions should you follow if you think there is a gas leak?

---

5. What does a natural gas leak smell like?

---

## Video #3: Look Up and Live

6. What message did the boy read on the warning sign?

---

7. What additional information was printed on the sign?

---

8. Why is the title of this video a suitable reminder of possible danger?

---

### Video #4: Safety Masters

9a. How many metres should you stay from a downed power line? \_\_\_\_\_

9b. How many feet is that? \_\_\_\_\_

10a. Name the mystery safety issue(s) described in this video.

---

10b. What two steps did the girl take when she discovered the mystery safety issue?

---

---

### Video #5: Urban Jungle Hunter Safety Masters

11. Name the two general locations where power lines are found.

---

12. What is the approximate striking range of a downed power line? \_\_\_\_\_

13. What should you do if you see a downed power line? \_\_\_\_\_

14. What should you do if you are within the 10-metre danger zone near a downed power line?

---

### Video #6: A Few Minutes for Safety

15. Where is energy safety important? Name several locations.

---

16. What should you do if a downed power line falls on your vehicle (such as during a storm)?

---

17. How far away should you stay from a downed power line? \_\_\_\_\_

18. What precautions should you take if you have to get out of a car that has a downed power line nearby?

\_\_\_\_\_

19. Why should you call before you dig a hole on a piece of property?

\_\_\_\_\_

20. Describe a real-life situation in which the phrase “Look Up and Live” could save your life.

\_\_\_\_\_

\_\_\_\_\_

21. What steps should you (and your co-workers or friends) follow if you smell a natural gas leak?

\_\_\_\_\_

22. What are the emergency numbers you should call if you:

a. spot a downed power line? \_\_\_\_\_

b. smell a natural gas leak? \_\_\_\_\_

c. plan to dig in the ground? \_\_\_\_\_

23. Summarize the safety steps you would take when spotting a downed power line or smelling a gas leak or before digging in the ground. Use a mind map (concept map) to answer this question.
